

Fifth Grade

Thank you in advance for all your support, we truly appreciate it.

Supplies for Students

***** Please note, students will be carrying their backpacks back and forth to their classes. Please do not overfill. Lunches will be placed in a plastic tub which will be taken out at lunch time. We can store extra supplies (pencils, watercolors, notebooks, glue, and erasers), but everyday items will need to go to and from each class. They will not be keeping anything, but textbooks, in the desks. *****
